# Invitation

*Dear Sir/ Madam,*

*The annual event of the Society of Fetal Medicine for 2024 will SFM FetalNeurocon 2024. As you know we hold FetalMed every alternate year and a specialty congress such as FetalCardiocon or FetalNeurocon in the intervening year.*

*SFM FetalNeurocon 2024 will take place at The Leela Ambience Gurugram Hotel, Delhi NCR, India from August 9-11, 2024. Delegates from all over the world will be participating in this conference.*

*It is with great pleasure that we invite you to be a trade partner at this meet. We will commence on the first day with live & video workshops, techniques and protocols. The second and third day move deeply into systematic evaluation of the fetal central nervous system using Ultrasound complimented by genetics.*

*This meeting allows you to target your market audience face-to-face. You will gain exposure to over 600 highly educated experts who are prime clients with significant purchasing power. These attendees expect to see companies like yours showcasing your products and services.*

*As was evident in the past conferences of the Society of Fetal Medicine, these experts frequently make large spot purchasing decisions. The expertise is wide but the budgets are variable: low end to high end.*

*Exhibiting provides tremendous benefits to participating industry. The tariff, as always, is structured in levels so that you may participate at the level most beneficial to your company.*

*Please do remember to display your entire product line.*
